## **ABOUT US**

“Bellyrubs” is family owned and operated. We pride ourselves in our safe, clean, and climate controlled facility.

Our furry friends are treated as part of our family. When at Bellyrubs, your dog can socialize, play, make new friends and have lots of fun!

In our daycare program, we celebrate birthdays and holidays. We have a doggie of the month who will be featured on our wall, website, and facebook. Our safe enclosed yard is a fun filled place for your dog to play. Your fur baby can cool off in one of our kiddie pools on those real hot days! Inside is climate controlled with plenty of room for your dog to play, or he/she can be lazy and stretch out on one of our cots or blankets. We offer treats, snacks and doggie popcorn.

Each of our boarding friends has his/her own spacious indoor/ outdoor runs. On weekdays your pup can play with our daycare friends as long as he/she meet our requirements.

Your cat is welcomed to stay in one of our newly renovated cat rooms. Each room is designed for your cat’s comfort and entertainment.

Our grooming facility is unique in itself. We do not cage or muzzle our grooming friends unless absolutely necessary. We feel that your pet is already nervous by being in a strange place, so why traumatize them even more by putting them in a cage. They are allowed to hang out in the room or in one of our indoor/outdoor runs until it is their turn. This seems to keep them in a calmer state of mind and make their grooming experience an enjoyable one.

Don’t forget to stop in our gift and supply store. We carry a variety of gifts, toys, treats, leashes, dishes and much more.

We hope you will find that “Bellyrubs” meet all of your expectations and more. If you have any questions or suggestions you may contact Susan or Jessica at (518)747-6815 or at bellyrubs1@yahoo.com
